TECHNICAL CHANGES TO PREVIOUSLY APPROVED RESOLUTIONS

RESOLUTION FP-00-09

Technical correction to Resolution FP-00-09, originally approved July 20, 2000, for \$1,590,000 in State and Federal Regional Improvement Program (RIP) funds for five (5) Local Assistance STIP projects. For project #4, (Norfolk Street Rehabilitation and Intersection Improvement - MTC - PPNO 04-1054), change the allocation from State / federal funded project to a State-Only funded project.

This technical amendment will ensure that funding approved for this STIP project is allocated from the correct fund. No changes to the text of the resolution were necessary.
